Legal Counsel & Jurisdiction Statement

LEGAL COUNSEL & JURISDICTION STATEMENT

This statement records the legal and jurisdictional framework maintained by **FunFiLabs** for its contractual, compliance, digital-asset, asset-verification and dispute-related activities. It is intended to identify the designated legal counsel and the basis on which jurisdiction and governing-law questions are addressed in matters involving FunFiLabs.

1. JURISDICTIONAL FRAMEWORK

The governing law, competent jurisdiction and applicable legal requirements for a particular matter are determined by the relevant FunFiLabs terms, contractual documentation, transaction circumstances and mandatory law. FunFiLabs maintains this framework to provide an identifiable legal basis for contractual relations, compliance procedures, asset verification, redemption matters and dispute resolution where applicable.

2. DESIGNATED LEGAL COUNSEL

HJELM LAW, represented by **Nelly Hjelm**, is identified by FunFiLabs as designated legal counsel for legal and compliance matters. The scope of counsel may include advice concerning corporate, commercial, contractual, compliance, digital-asset, AML/sanctions and dispute-related matters, where applicable.

3. COMPLIANCE & ASSET VERIFICATION

FunFiLabs may apply case-specific compliance controls, including identity verification, source-of-assets review, transaction-history analysis, AML screening and sanctions-related review where applicable. Requirements for an individual matter are governed by the applicable FunFiLabs terms and the written documentation issued for that case.

4. LEGAL STATUS OF THIS STATEMENT

This document is a legal and compliance statement of FunFiLabs and its designated legal-counsel framework. It does not, by itself, constitute a governmental licence, regulatory registration, custodial guarantee or public-authority approval. Any licence, registration or regulatory status required by applicable law must be established independently with the competent authority.
